

## Notice of Road Fee Increase for 2026-2027

Please be advised the annual fee of \$450.00 will be increased to \$650.00 as of October 1, 2026. An annual budget of \$60,000 is required to cover rising costs (\$30,000 winter road maintenance, \$20,000 summer road maintenance, \$5,000 insurances, accounting fees and administrative costs and \$5,000 emergency fund) At present, the funds remaining for summer 2026 road maintenance are half of what is usually needed and therefore only minimal road repairs will be made between now and the end of September. See Financial Report through April 30, 2026 for a breakdown of costs to date.
